

LOYOLA SCHOOL

EAST COAST RLY COLONY PO. BHUBANESWAR – 751023

Dear Parents/Guardians,

January 7, 2021

New Year Greetings to All !

The academic session 2020-21 began with an academic shock of not seeing the children in the school campus. This in no way stopped us in taking a bold step of conducting online classes right from the beginning of April and to the satisfaction of you, our parents, our children and the school. Hats off to you parents, as you stood and are standing by us, so that our children are not deprived of education! Big thanks to the teachers, who equipped themselves with the new technology of teaching and are able to cover the academic syllabus.

The new year 2021 begun with a positive note on the part of the Govt. to have classes for Std 10 and 12. Hence, we will begin with practical classes in science and computer subjects from Mon, 11th January, 2021 from 10.00 a.m. to 1.00 p.m., **in addition to the online classes**. Details of the classes will be put up on school website.

Dear parents, we all are waiting for the decision of the Honourable Court on school fees for the year 2020-21, hence, the school has not activated the online payment of the fourth quarter fee for 2020-21. **But, I request you to clear the fee of First, Second and Third quarters, if you have not done so by 31st January, 2021.**

Pre-Boards for Std X and XII – The Pre-Boards will be conducted in the school from 15th February, 2021.

Final Evaluation for LKG – IX and XI – The Final Evaluation will commence from 22nd February, 2021.

New Admissions for 2021-22 : We have a few seats in classes UKG, VI, VII, VIII and IX. Admission Forms for the same will be available online on 'Admission' forum of school website from **18th January, 2021**.

We are positive, and are moving towards beginning our new academic session 2021-22, as usual in mid March.

God Bless You.

Fr. Victor F Misquith, S.J.
Principal
