Dear Parent/Guardians,

As the new academic session is about to begin, I wish you all the very best for the coming session!!!

With this new beginning, our School has embarked on a new journey with the **"Cricket Academy of Pathans"** CAP Bhubaneswar being operational and has started the training program on 17th March. Certainly, we all hope that the CAP Bhubaneswar will be able to create a sense of better acceptance among parents and students as well towards sports and specially to Cricket.

With a direct intervention from the India Internationals the Pathan brothers, Irfan & Yusuf and with its technology enabled centers, armed with a strong on-ground curriculum designed by international cricket experts and run by highly qualified & certified coaches can be a boon for aspiring cricketers of Loyola School.

As described by Pathan Brothers: "Since its inception, CAP has focused on the holistic development of budding cricketers to nurture their talent with its quality training. Along with its emphasis on nutrition, psychology and the overall physical development of the students, CAP also has modern cricketing technologies like PitchVision, stance-beam & CAP App (Mobile Application) that helps students to understand and improve their game".

With the ongoing process of CAP, we aim to make a formidable girls & boys school team by offering cricket coaching within the school time and during the sports / games period, during holidays will have extended hours of practice & matches depending on student's availability. The students selected in the **school team** will be offered high-end coaching at free of cost.

For the students (**girls & boys of standard Three and above**) selected in school team and the students who may not have found a place in the school team may opt for admission into the CAP curriculum will be offered a discount of 50% on the prescribed fee and hence be paying INR Two Thousand Two Hundred Fifty (INR 2,250/-) per month+ GST and INR Two Hundred only (INR 200/-) per month as the CAP app usage charge.

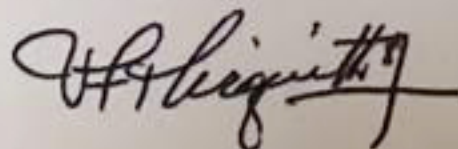

One time registration fee of INR Two Thousand Five Hundred only (INR 2,500/-) will be applicable for all and against that, will be receiving a CAP merchandised training dress kit.

The coaching time for CAP will be between 4:00 PM to 8:00 PM and during holidays will have extended hours of practice & matches depending on student's availability. Under special circumstances for our school students, the CAP training time may get changed.

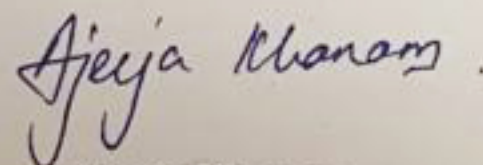

It is a great opportunity for all of us that, CAP Bhubaneswar has started its operation in the school premises itself. The CAP officials may be reached at: Mob: 95563 00222 / eMail: capbhubaneswar@gmail.com.
