

LOYOLA SCHOOL

EAST COAST RLY COLONY PO. BHUBANESWAR – 751023

Dear Parents / Guardians,

October 6, 2023

Happy Greetings!

It is with great pleasure I write this letter to you as I take up the responsibility of the Principal for the second time at Loyola School, Bhubaneswar. I am both elated and honoured to be here once again. I also would like to thank Mrs. Nandita Pattanayak, Vice Principal of Senior Section, for holding the fort for almost a month as Acting Principal and made sure everything went on well.

I, on behalf of the school, promise to continue the legacy established by my predecessors at Loyola, by building strong relationship with all stakeholders and endeavour to make our school a better place for our children to grow in every aspect of their lives. I also promise that we will continue to make use of the traditional as well as the modern educational methods for classroom instruction and also give a lot of importance to the academic, spiritual, social and emotional growth of our children. Yes, we will continue to provide exciting, challenging and enriching opportunities to our children both in academics and extra-curricular activities.

During the course of the year, it is my fervent hope that we will work together to impart to our children the best opportunities to prepare themselves to face the different challenges that await them in their later life and also help them to become men and women for others so that they can be persons who are committed to make a big difference in our society.
