

LOYOLA SCHOOL

EAST COAST RLY COLONY PO. BHUBANESWAR – 751023

Dear Parents / Guardians,

September 1, 2025

Thank you all for your valuable presence, in all our school activities, functions and events. Your presence and participation encouraged and motivated our students and teachers to excel and showcase their best and make all our events a grand success.

- Synchrony 2025, showcased unique talents, creativity and innovations of our students through projects, charts, models, street plays and competitions.
- The First Parents-Teachers Meeting of the session too was encouraging and overwhelming. We greatly appreciate your presence, compliments and suggestions too.
- The spirit of patriotism and togetherness was well witnessed on our Independence Day celebration.

We will be celebrating Teachers' Day on 5th Sept, 2025 to commemorate the birth anniversary of Dr. Sarvepalli Radhakrishnan. On this day we will be honouring our teachers for their tireless efforts in moulding young minds and shaping the future of society. This day is an opportunity for students and society to express their gratitude for the invaluable contributions of teachers.

Half-Yearly Evaluation: The half-yearly exams are round the corner and the exam schedule has been given to the students. Please see to that your child eats well, sleeps well and spends quality time in studying and most importantly attends regular classes and does his/her best in the upcoming exams. The increasing rate of absenteeism closer to the examination days among children definitely underscores the fact that children are indeed burning the midnight oil! Examination is not an end in itself; it is only an indicator of their efforts. Hence, train your children in healthy, daily, study habits. Please do not 'over pressurize' them but enthuse them to compete with their own previous performance. Ensure their daily attendance, as the teachers are completing & revising the syllabus of the term.
