

LOYOLA SCHOOL

EAST COAST RLY COLONY PO. BHUBANESWAR – 751023

Dear Parents / Guardians,

September 30, 2026

We are delighted to share that we have successfully concluded a vibrant and enriching First Term, marked by enthusiastic learning, active participation and holistic growth of our students. We sincerely thank you for your unwavering support, encouragement and partnership in making this term truly meaningful.

We are also deeply grateful for your overwhelming consent and encouragement for the 2nd edition of **Mini Marathon – ‘Walk for Peace, Run for Unity’** to be hosted by Loyola School on **2nd October, 2026** for students and parents of **classes IV to XII**. **Special feature for students of Nursery to Class III** – ‘I Run with my Superheroes – Mamma & Papa!’ with Free health screening including-CBC-Complete Blood Count, height, weight, BP ,Sugar (RBS) & pulse oxymeter by **Genx Medgenome**; Blood donation camp by **Capital Hospital** and Free Eye Check-up by **Titan Eye Plus**.

As you are aware, there was a loss of instructional hours during the First Term and further the **Second Term is packed with various academic and co-curricular activities (Fete, Annual Sports Day, Class Picnics, etc)**, the school will observe **some Saturdays as working days to compensate for the instructional days lost during the First Term**. Parents are requested to ensure the regular attendance of their wards on these days. A schedule of the working Saturdays will be shared in due course of time.

Furthermore, to ensure that teaching-learning is evenly spaced out in the Second Term and to ease the academic pressure on our children, we have planned the **Second Class Evaluation (CE) with one test per day, followed by regular classes**. This will ensure uninterrupted learning, better preparation and a stress-free assessment experience for the child. Portion for the same will be communicated to the students by the respective subject teachers soon.

The traffic ‘before’ and ‘after’ school is once again becoming chaotic and is of great concern. Each one is in a hurry and wants to park next to the gate. Parents, we need to inculcate civic sense in ourselves – **SAFETY FIRST**. Our Scouts/Guides, Support Staff and Teachers are doing their best in and out of the school to control the traffic. To ensure smooth dismissal and safety of our students and to avoid traffic congestion, kindly follow the designated gates for dropping and picking up your wards with immediate effect:

1. For Private Vehicles / Self Pick-up: **GATE NO. 2**. All parents coming by private cars, two-wheelers or on foot are requested to use Gate No. 2 for drop and pick-up (for classes 1 to 12).
2. For Vans & Buses: **GATE NO. 1**. All private vans, school buses and pool vehicles will use Gate No. 1 only

All parents are required to wait outside the designated school gates or outside the staircase area. No parent is allowed inside the school building during dismissal hours without a valid / pre-approved reason.

Parents and van drivers are requested to cooperate with the security staff, park vehicles in queue and avoid honking, and rush at the gates.

Kindly note a change in the Year Planner:

1. Second Term classes with regular timing will resume from Monday, 5th October, 2026.
2. P.T.Meeting & Report Card Distribution will be on Saturday, 7th November, 2026.
3. Saturday, 31st October, 2026 will be a working Saturday.

We look forward to your continued cooperation and support.

With warm regards,

Fr. A. Amaladoss, SJ
Principal
